EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Authorization for this examiner's amendment was given in a telephone interview with Mr. Ted R. Rittmaster on April 11, 2005. The application has been amended as follows:

In claim 24, line 16, after the word "contacting", the word "the" has been deleted.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The prior art of record does disclose or suggest, *inter alia*, a housing having a reservoir portion for containing a volume of infusion medium and an outlet through which infusion medium may be dispensed; and an inlet structure provided in fluid flow communication with the reservoir portion of the housing, the inlet structure having an inlet opening, a septum, a moveable valve member and means for imparting a force on the valve member to urge the valve member against the septum; wherein the septum has a side disposed in relation to the inlet opening, to seal the inlet opening; wherein the valve member is disposed on the opposite side of the septum relative to the side of the septum that seals the inlet opening, the valve member being moveable between a first state in which the valve member contacts the septum and a second state in which the valve member is spaced from the septum to define a volume space between the septum and the valve member, wherein the moveable valve member has a first surface for contacting a tip of a needle passed through the inlet opening and the septum to move the valve member to the second state; and wherein upon the valve member being in the
